

**HELP WANTED
DISTRICT SPECIALIST (TECHNICIAN)**

The **Adair County Soil and Water Conservation District** is accepting applications for a District Specialist. This is a **full-time position Monday-Friday 8:00-4:30**, with health insurance and retirement benefits. Starting hourly wage is \$15.00 with advancement opportunities. Advancements are based on a progression line with required testing milestones.

Candidate must be a self-starter with computer, math, and mechanical skills. Candidate must possess the ability to work outdoors in adverse weather conditions on all types of terrain. This position entails field work, including surveying and working with landowners to plan and design conservation practices (ponds, terraces, etc.). Candidate must have good communication and organizational skills. Basic farm knowledge and surveying experience is helpful.

The ability to work with the public, adapt to day-to-day changes, use sound judgement, and exercise discretion is required. Candidate must be a U.S. citizen or be authorized to work in the U.S., possess a valid driver's license, and be 18 years of age or older. A high school diploma or GED equivalent is required. Candidate must successfully pass a USDA background security check.

Applications may be picked up at the SWCD office, USDA Service Center 2410 S. Franklin St., Kirksville, MO 63501 or by calling (660)665-3274 ext. 3. Applications may also be printed off the Adair CO SWCD website under Job Opportunities at <https://mosoilandwater.land>. Applications will be accepted until **4:30 p.m. on Friday, May 6, 2022**.

Please submit a resume with your application. To be considered you must fill out and submit an application. This position is under the supervision of the Adair County SWCD Board and is not a state or federal position. The Adair County SWCD is an equal opportunity employer.
