Good afternoon,

Below is the link for the July 25, 2019, Commission meeting agenda, packet information and directions to the MU Greenly Research Center. We have been advised that you may want to use MU Greenly Research Center to get directions on your cell phone's mapping applications. The minutes from the May 7 meeting will be posted later this week. The link for the agenda, packet and directions to MU Greenly Research Center is under the July 25 heading <https://dnr.mo.gov/env/swcp/meetings.htm> .

The dress for the meeting is casual (jeans or shorts are fine) since we will be going on a tour. Dr. Kelly Nelson from MU will be presenting information on various research projects at the MU Greenly Research Center. If you have any questions, please let us know.

Thank you!!
