Hi everyone,

You received an email last week that as part of the MASWCD Education Seminar next week, the training session will be, *How to Protect Your District and Your Personal Liability as a Board Member and/or Employee*. The training will be on the afternoon of March 5th from 2:00-4:30 p.m.

In addition to the information above, Program staff will be presenting slides that were reviewed at the Program Delivery and District Operations Committee at the end of January. These will include ideas on how to keep the cost-share to administration ratio at an appropriate level. Thank you and hope to see you there. Colleen
