Subject: May 7 Soil and Water Districts Commission Meeting

Good afternoon: just to let you know that we have updated the agenda and packet documents for next week's Commission meeting. In addition, the meeting will be casual dress (jeans are fine) because we will be going on a tour on a couple of farms to look at some cover crop practices and some edge-of-field monitoring sites after the meeting. Below is the link for the May 7, 2019, Commission meeting. The links for the meeting are under the May 7, heading. If you have any questions, let us know. Thank you.
