Subject: MoSWIMS Upgrade

MoSWIMS will be upgraded tonight at 5pm to the new websphere server and database. You will not be able to access MoSWIMS tonight after 5 p.m. Changes you may notice are as follows:

- 1) MoSWIMS users were reporting that they were receiving error messages when attaching documents. This issue should be fixed.
- 2) The gray background has been removed from the rows on page 2 of the contract payment so that the payment amount is always legible.
- 3) Language on item #2 of the contract referencing the 1099 form has been corrected.

If you encounter any issues with MOSWIMS tomorrow, please let us know.

Thanks

Soil & Water Conservation Program
