**Subject:** New Staff in Soil and Water Conservation Program

Good morning! We are pleased to announce that we have two new staff in the Soil and Water Program.

Tina Stockman is starting today and is in position that Darlene Schaben had when she retired. Please let Tina know who you are and the district you are from when you call so she can get to know everyone. She will be answering our main phone line, 573-751-4932.

Our other new employee is Diane Matthews. Diane started in March and is working on budget and planning.

Both Tina and Diane have been with the Department in multiple roles and bring a lot of experience with them. They both are assisting in soil and water and 319 program work. Hopefully you will get to meet them at some point and welcome them in person. Thank you.

Colleen Meredith
