Attachments: MO - Course Agenda and Information2 - October 7_11_2019.pdf

Good afternoon: The subject line has been updated.

We have been informed by NRCS staff that there are six additional spots available for Soil and Water Conservation District staff for this Conservation Planner Course. The deadline for signing up for this training session is Monday, September 16, 2019. Please complete the Conservation Planning Course Field Training enrollment form, which can be found at <https://mosoilandwater.land/internal/forms-pubs>, and submit electronically to soil&waterconservationprogram@swcd.mo.gov.

Please include any request for hotel accommodations. The program office will make hotel reservations for attendees. Mileage and meal expenses incurred by staff attending the training are to be expended from the (04) Administrative Grant or the (48) Technical Fund.

If you have any questions, please contact your district coordinator.

Thank you.
