Voter Eligibility:

1. Voting in SWCD supervisor elections is limited to one (1) vote per independent farm enterprise by a landowner or the landowners legal representative. A legal representative must have a power of attorney that specifically authorizes voting in SWCD supervisor elections. An eligible land representative of an SWCD, as defined in 10 CSR 70-4.010(1) (I), may vote in any SWCD supervisor election held within that particular SWCD. Only a land representative is eligible to cast a vote in SWCD supervisor elections.
2. Each farm, as defined in 10 CSR 70-4.010 (1)(H), shall be entitled to representation in SWCD supervisor elections, and for the purposes of this rule, a land representative shall be deemed as owning one (1) farm and having one (1) vote, regardless of the number of farms owned or POA by such person. A farm is defined as land which has been assigned a United States Department of Agriculture Farm Service Agency (FSA) farm number or assessed an agricultural by the county assessor where agricultural activities are normally performed and from which one thousand dollars (\$1,000) or more of agriculture products are normally sold in a year.
3. If it is impossible for the farm owner to personally participate in voting, a power of attorney may be given to a taxpaying citizen of the county who may represent the owner and cast the vote. A person so authorized shall not be the legal land representative for more than one (1) farm owner. A copy of the power of attorney authorization must be attached to the ballot.
