Program office staff are processing contract payments as fast as possible. We will be approving payments until our deadline, which is 5:00 p.m. on Monday, June 24th. Districts are encouraged to send in all contract payments that are ready to be paid. If districts have contract payments that have an active vendor name but the EFT status is not active, please send them in to be processed this fiscal year. We would also like to remind districts to check MoSWIMS for contract payments that may have been returned or will be returned. Please make corrections as soon as possible and resubmit for payment.

Any contracts that have been started but are not completed need to be rolled over in FY25.
