Subject: Nutrient Management testing - January 30, 2020

The Soil and Water Conservation Program is pleased to announce that a **Nutrient Management testing** will be offered on Thursday, **January 30, 2020**, starting at 9:00 a.m. at Lincoln University's Carver Farm in Jefferson City, MO. The Nutrient Management training is a precursor to the testing phase to become a certified Nutrient Management planner. Participants will need a pencil, pen, calculator and notepad to take the test. This will be a closed book test; staff will not be allowed to bring any reference material to take the test.

The **Testing Enrollment Form** can be found on the SWCD Intranet at the following link:

<https://mosoilandwater.land/internal/forms-pubs>

If you have any questions, please contact your district coordinator.

Thank you!
