---

Good afternoon,

The Soil and Water Conservation Districts have obligated \$44.5 million in cost-share funds across the state. The current obligated amount is less than last year at this time. However, the program appreciates the great deal of hard work and effort it takes to obligate cost-share funds. Therefore, program management has determined there will be a supplemental allocation held on Wednesday, February 11, 2026. The supplemental will be completed on Wednesday due to a state holiday on February 12th. MoSWIMS will be locked at 4:00 p.m. on February 11<sup>th</sup> in order to complete the supplemental process.

If you have any questions, please contact your district coordinator.

Thank you.
