Date: Friday, January 28, 2022 2:03:08 PM

The next supplemental allocation for FY22 will be held on February 3, 2022. MoSWIMS will be locked at 4:00 p.m. on the 3rd to complete the process. Districts will be allowed to refuse a supplemental allocation in a specific resource concern by sending a request via email to the program office (soil&waterconservationprogram@swcd.mo.gov) by 4:00 p.m. on the Wednesday prior to the supplemental allocation.

In addition, during the Commission meeting on January 27, 2022, program management proposed to remove the supplemental maximum for the remainder of FY22 in order to effectively utilize the FY22 cost-share appropriation. The Commission agreed with the proposal therefore the \$600,000 supplemental maximum will not apply the remainder of the fiscal year.

It has also been determined there will be a supplemental allocation on March 3rd. MoSWIMS will be locked at 4:00 p.m. on March 3rd to complete the supplemental process.

If you have any questions, please contact your district coordinator.

Thank you.
