Good morning.

The SWCP is compiling a **FY24 (July 1, 2023-June 30, 2024)** Annual Report and we need your help. This report will highlight the important work being done through the soil and water conservation partnership in MO. We are seeking project spotlights for SWCDs across the state to include in this publication. Please send in whatever your district is most proud of. This could be a special project, event, district award, or practice in 300 words or less. Photos that support your submission are needed as well, but not required. Help us showcase the outstanding work being accomplished around the show me state! Please submit your district highlight to Kelsey Kempker (Kelsey.kempker@dnr.mo.gov) by 5pm February 19, 2025.

Thank you,
