Good afternoon.

With the transition into MOVERS, it is taking the Office of Administration (OA) more time to enter a supplier into SAM II in order for them to be active in MoSWIMS to process the contract for payment. If you have a supplier that has either registered in MOVERS or sent in a form to OA and has a contract that is ready to be paid NOW but is not active in SAM II (green checkmark in MoSWIMS), please contact your Coordinator. The Soil and Water Conservation Program will work with OA to get them active in SAM II.

If the supplier has any questions for OA, please ask the supplier to call them at 573-751-2971 or email them at one of the following addresses depending on the question:

MOVERS registration questions – missouribuys@mo.gov

Vendor form questions – vendor@oa.mo.gov

1099 questions – oasamiiaccounting@oa.mo.gov

Thanks,

Soil and Water Conservation Program
