Good morning,

The program would like to remind districts to use the Component Cost Spreadsheet to enter actual cost data for your county. The completed spreadsheet must be emailed to the program office by close of business on Friday May 29, 2026. It is very important that districts take time to enter current cost data as this will be used in development of state average costs that go into effect July 1, 2026.

Please refer to the email sent out by the program on March 6, 2026 for more details.

If you have questions, please contact your district coordinator.

Thank you,

MoDNR Soil and Water Conservation Program
