Good afternoon.

Advanced Allocation Reminder - Please remember from memo 2026-010, that May 15, 2026 is the final day to submit board approved requests for FY27 Advanced Allocations and for Animal Waste Management Resource Concern additional allocations.

Also, please remember that MoSWIMS will be closed for cost-share on May 26, 2026 to load the FY27 cost-share allocations. The FY27 allocations that will be loaded are not intended for new contracts, but to roll contracts that have been started and not completed in FY26. Per Commission policy, a contract that has not been started should be cancelled, not rolled into the next fiscal year. An email will be sent out once the FY27 allocations have entered.

If you have any questions, please contact your coordinator.

Thank you,
