**Subject:** The Missouri CRCL Project Is Open For Enrollment!

Hi Missouri CRCL Project partners,

We're grateful for your support in promoting the final year of enrollment for the

Missouri CRCL Project. This year, to best support interested producers, we're only opening the four Cover Crop Projects for enrollment. Enrollment is open June 1-July 10 and is on a first come, first served basis.

You can find announcements on LinkedIn and Facebook for easy reposting:

- [Facebook](#)

If you would like to include an announcement in your newsletter, please find the attached graphic and blurb:

**The Missouri CRCL Project's Cover Crop Programs are open for enrollment! These incentive payment programs offer support for Missouri farmers interested in planting and/or managing cover crops. Applications are taken on a first come, first serve basis and close on July 10. [Check out the MU Center for Regenerative Agriculture website](#) for eligibility and enrollment information.**

As always, I would love to include your upcoming events and other announcements in our newsletter, social media, etc. Don't hesitate to reach out!

Best,

# The Missouri CRCL Project

## *Cover Crop Programs*

There are four options designed for Missouri producer interested in adopting fall-planted cover crops. This includes two planting incentives and two incentives for cover crop management. The Missouri CRCL Project is funded by a \$25 million grant from the United States Department of Agriculture (USDA).

If you have questions, help is available via email at [mocrcl@missouri.edu](mailto:mocrcl@missouri.edu).
