**Subject:** RE: Fiscal Year 2020 Year End Dates

The email below was sent to all SWCDs on May 19<sup>th</sup>, it states that all FY20 expenses must be paid on or before June 30, 2020. This is an additional reminder that all SWCDs must make sure that FY20 retirement payments are paid before the end of June. It is our understanding that SWCDs participating in LAGERS are notified in late June regarding the retirement payment for June. This retirement expense must be paid before the end of June. If SWCDs wait to pay their June retirement in July they must then use local funds to pay this expense. If you have any questions please contact your district coordinator.

Thank you!
