Recently, OA moved the start date of processing payments through MOVERS to July 1, 2026. With this change, they will continue to accept the supplier forms at this time. We have not been given a date that they will stop accepting the paper forms and will require landowners to register in MOVERS to be paid; it will be sometime in FY26.

By July 1, 2026, all landowners will be required to register in MOVERS to receive a payment from the State of Missouri, even if they have previously sent in the paper form and/or are active in SAMII.

If you have any issues with landowners that have registered in MOVERS and not set up in SAMII when it is time for payment, please contact your Coordinator and the Program Office staff will work with OA on getting the landowner active in SAMII.

Thanks for all the hard work and dedication to getting the cost share dollars spent in FY2025!!!
