Subject: RE: Quarterly Reports

The Soil and Water Conservation Program has decided the SWCD will receive their allocation for 1st quarter once their quarterly report for 4th quarter is completed and verified by the Program Office. In addition SWCD employees must have all timesheets for FY20 complete before the 1st quarter allocation is sent to the SWCD. If there are special circumstances that would keep your SWCD from submitting their quarterly report please contact the program office. If you have any questions please contact your district coordinator.

Thank you.
