Subject: Manure Management Planner Software Update
Date: Friday, July 17, 2026 1:05:54 PM
Attachments: [image001.png](#)

Good afternoon,

Updates to the MMP software on all district computers will be installed overnight on Tuesday July 21st. Please ensure that your computers are powered on and connected to the network during this time. Before Tuesday at 10 PM, if you have saved any MMP files to C:\Program Files (x86)\USDA\MMP, those files will need to be saved or copied to a different location to prevent loss of CNMP plans created in the older version. Older version MMP files can be opened in the new version.

If you have any questions please contact your district coordinator.

Thank you,

MoDNR Soil and Water Conservation Program
