Good afternoon,

Commissioner Tim Martin decided to resign from the Soil and Water Districts Commission effective July 15, 2025. In his resignation letter, Commissioner Martin addressed his appreciation for all the hard work and effort from all of the soil and water staff and employees. It is now up to Governor Kehoe to appoint someone to fill the vacancy. There is a [Boards and Commissions](#) website with information about the appointment process. There is an application to complete in order to be considered. The appointee will have to reside south of the Missouri River, hold title to a farm and earning at least the principal part of their livelihood from a farm, all at the time of appointment.
