Subject: MASWCD Area Meetings

Good morning.

The Board of Directors for the Missouri Association of Soil and Water Conservation Districts asked that we inform district employees, supervisors and partners that the area meetings will not be held the week of September 13 as proposed. Due to COVID concerns the board decided to plan something in conjunction with the annual meeting/training conference in November. Please communicate this to anyone who may have been planning to attend.

Thank you,

Soil and Water Conservation Program

We'd like your feedback on the service you received from the Missouri Department of Natural Resources. Please consider taking a few minutes to complete the department's Customer Satisfaction Survey at <https://www.surveymonkey.com/r/MoDNRsurvey>. Thank you.
