Subject: RE: WebEx
Attachments: WebEx Instructions.docx

Attached are instructions that will allow SWCD district employees to set up WebEx meetings through their state provided computer. The WebEx meetings can be setup with board members, other SWCD employees, NRCS, or program office staff. Participants in the WebEx meeting can either participate through their computer or there is also a call in option. There is also a video option available through WebEx. Participants in meeting can also share their screen with other participants. WebEx meetings can be used for monthly board meetings, FOSA meetings, SWCD employee meetings, discussing issues with your district coordinator (and sharing your screen), etc... If you have questions on the attached instructions please contact your district coordinator.

Thank you.
