Thank you to all that attended the 2025 Area Meetings this year! Presentations from the Program Office, NRCS and STAR Program have been added to the soil and water intranet main page, under the intranet calendar <https://mosoilandwater.land/internal/home>. This year no recording of the meetings is available due to technical difficulties. If you have any questions regarding area meetings please reach out to your district coordinator.

In addition, attached to this email is a copy of the new Parks, Soils and Water Sales Tax brochure that was graciously paid for by both the Parks Association and MASWCD. If your district is in need of brochures to distribute please reach out to your district coordinator, the program has plenty of brochures for distribution.
