Subject: FY25 District Highlight Submission Reminder
Date: Tuesday, September 23, 2025 11:37:52 AM

Good morning,

Friendly reminder to please send in your FY25 annual report district highlight that the program office was requesting from districts by October 1, 2025. Please send highlights to Kelsey Kempker (Kelsey.Kempker@dnr.mo.gov). For reference below is the link to the FY24 Annual Report

AND WATER CONSERVATION

The Missouri Department of Natural Resources Soil and Water Conservation Program administers the policies and general programs developed by the Soil and Water Districts Commission to assist cooperators with soil and water conservation efforts on their farms by providing partial reimbursement through a voluntary cost-share program. Each of Missouri's 114 counties houses a soil and water ...

mosoilandwater.land

It is the goal for the FY25 Annual Report, all districts will submit a write-up highlighting the important work that was done throughout the year. This does not have to be related to cost-share numbers and could include any of the following:

- Provide something your district is proud of, something that your district does well, or you feel would help other districts
- Send a specific cost-share practice project that turned out well.
- General information about your staff/board/district, e.g. how long staff has been with the district.
- A particular event that the district has sponsored.

Essentially, we want you to tell us about your district so that we can share your accomplishments. Each district works hard and the Program Office wants to recognize your great work.

This publication provides a central location for access to valuable information by anyone that is interested, giving districts the ability to work more collaboratively and making the soil and water conservation program the best that it can be.

Thank you,

Soil & Water Conservation Program
