Good afternoon everyone,

As some of you know my name is Kelsey Kempker. I have been with the Soil and Water Program as a coordinator for the North Central region of the state for the past 5 years. Recently I accepted the Information and Education Specialist position vacated by Jake Wilson. As part of my new position I will be sending out a quarterly newsletter. You can view the 3rd quarter newsletter for FY 2023 at the following updated link [https://mosoilandwater.land/sites/mosoilandwater/files/FY23Quarter4Update\\_Dec2022%20updated.pdf](https://mosoilandwater.land/sites/mosoilandwater/files/FY23Quarter4Update_Dec2022%20updated.pdf) Please feel free to reach out with any topics or suggestions you would like to see in the newsletter. In addition to the newsletter, I am also the point of contact for the website (Drupal) and any questions you may have in regards to your districts website.

Thank You!
