Subject: October 9, 2019 Commission meeting agenda, packet, dress and tour details

Below is the link for the October 9, 2019, Commission meeting agenda, packet information and address to the MU Forage Systems Research Center. We have been advised that you may want to use MU Forage Systems Research Center to get directions on your cell phone's mapping application. The link for the agenda, packet and address to MU Forage Systems Research Center is under the October 9 heading <https://dnr.mo.gov/env/swcp/meetings.htm> .

The dress for the meeting is casual (jeans are fine) since we will be going on a tour after the Commission meeting. Eric Fuchs with the Missouri Rural Water Association has arranged for the Commission and others at the meeting to tour the waste water facility at Brookfield and the water treatment facility at Marceline. If you have any questions, please let us know.

Thank you!!
