**Subject:** RE: LAGERS

Good afternoon. It is our understanding that Soil and Water Conservation Districts participating in LAGERS recently received or will be receiving an Annual Benefit Election Update from LAGERS. The Soil and Water Conservation Program will continue to fund the L-7 plan offered by LAGERS. This plan will be the non-contributory plan and include the regular retirement and 3-year final average salary option. With this plan there is no employee contribution required. If you have any questions please contact your district coordinator.

Thank you.

Soil & Water Conservation Program

We'd like your feedback on the service you received from the Missouri Department of Natural Resources. Please consider taking a few minutes to complete the department's Customer Satisfaction Survey at <https://www.surveymonkey.com/r/MoDNRsurvey>. Thank you.
