Good Morning,

The State of Missouri will no longer be using SAMII for landowner payments and will be transitioning to a new on-line system (MOVERS: Missouri Vital Enterprise Resource System). The anticipated date of full implementation for payments is July 1, 2025. During the transitional period to the on-line system, OA has a new version of the vendor input form that must be used, and they are no longer accepting the old form.

The Program Office has posted the new version on the Districts Intranet page. Please use the link below to access the new form. The link will be updated if a newer version is given to us from OA.

If a landowner needs to complete a vendor input form, please give them the new version. After completion, they can email the form to vendor@oa.mo.gov.
