Subject: Cyber Coverage
Date: Wednesday, October 27, 2021 11:48:34 AM

Good morning.

Several SWCDs have mentioned that MOPERM will no longer be providing insurance for cyber & information breach coverage. In review of this issue, it appears that most insurance companies are going away from providing this coverage in the future and if they do continue to provide the coverage the premiums would be very expensive. Based on our discussion with IT staff it is our opinion that SWCDs do not need this coverage. IT staff is confident that the state network provides firewalls that would prevent cyber or security breaches. It is imperative that SWCD employees continue to participate in the monthly cyber security training as this is our best defense against these actions. If you have any questions please contact your district coordinator. Thank you.

Thank you,

Soil and Water Conservation Program

We'd like your feedback on the service you received from the Missouri Department of Natural Resources. Please consider taking a few minutes to complete the department's Customer Satisfaction Survey at <https://www.surveymonkey.com/r/MoDNRsurvey>. Thank you.
