Subject: RE: MASWCD Training Conference

The Soil and Water Program has received questions from SWCDs regarding eligible expenses for this year's MASWCD training conference. Please review the following.

Hotel: With opening session at 9 a.m. on Monday, expenses associated with travel and hotel on Sunday will be an allowable expense from state funds.

Meals: As in the past, all meals offered as part of the conference may be paid from state funds. For meals that are offered through the conference, but SWCD employees/and or board members choose to eat elsewhere, those meals are not eligible from state funds. For example, if a board member or employee choose to not participate in the Monday evening banquet meal, any other meal expenses will not be eligible from state funds.

Tours: The cost associate with the tours are not eligible from state funds.

If you have any questions please contact your district coordinator. Hope to see you all at the conference!

Thank you.
