Good morning,

Thank you to those that have responded to survey about who should receive the license for M365 desktop applications in your district. We still have not heard from about 30 SWCDs. If we do not get a response by 5 P.M. today in the survey, we will choose who to assign the license to. Once assigned these are not transferrable unless the person with the license leaves employment. Here is the link again for your convenience.
