Good afternoon: on Tuesday, December 3, from 8:30 to 9:30 a.m. and 2:00 to 3:00 p.m., a help desk will be available in the foyer of Paradise A during the Training Conference to help you with any issues that you are having using Drupal to update your webpages and GovDelivery. Van Beydler will be there to provide personalized support for you and answer any questions. If you need help or have questions just stop by the table and talk with Van.
