Subject: December 8 Cost-Share Supplemental

Good morning,

The next supplemental allocation will be held on December 8, 2022. MoSWIMS will be locked at 4:00 p.m. on the 8th to complete the process.

In addition, at the November 28, 2022 Commission meeting program management proposed to change the supplemental maximum to effectively utilize the FY23 cost-share appropriation. The commission approved to raise the supplemental maximum to \$750,000 for the remainder of the fiscal year. If you have any questions please contact your district coordinator.

Thank you.
