Subject: Contract Payment Reminder

Good morning.

In an effort to help ensure contract payments are processed and paid prior to the end of calendar year 2021, contract payments must be at the status of PEND PO FIN by close of business on December 20, 2021. This will give Program staff time to process payments before the deadline of 5:00 p.m. on December 27, 2021. Districts may continue to submit payments after December 20th but those payments may not get approved before the end of the calendar year.

If you have any questions, please contact your district coordinator.

Thank you,

Soil and Water Conservation Program
