Good afternoon.

For the SWCD participating in LAGERS,

The program office received notification that LAGERS recently sent correspondence to participating SWCDs asking if the SWCD wanted to change the LAGERS plan for their retirement. The LAGERS plan offered SWCD employees is set by the program office and must not be changed by the local SWCD. The attached memo details the plan the program office selected for the SWCDs. If you have any questions please contact your district coordinator. Thank you.

Thank you,

Soil and Water Conservation Program

MEMORANDUM

2019-010

DATE: October 26, 2018

TO: All Soil and Water Conservation Districts

FROM:  Colleen Meredith, Director
Soil and Water Conservation Program

SUBJECT: LAGERS Retirement System

After reviewing the Actuary Studies for several soil and water conservation districts that have recently been completed, the Soil and Water Conservation Program has decided to fund the L-7 (1.50%) plan offered by LAGERS. This plan will be the non-contributory plan and include the regular retirement and 3-year final average salary option. With this plan there is no employee contribution required.

Please review memorandum 2019-004 and the email from the program dated September 4, 2018, for additional information on LAGERS. If you have any questions please contact your district coordinator. Thank you.
