Good morning.

Districts that have completed contract payments with EFT issues (that cooperators want paid this calendar year) may submit them for payment as long as the vendor ID status symbol in MOSWIMS is a green circle with a checkmark. Program staff will approve contract payments for payment this calendar year until our deadline of 5:00 p.m. on December 27, 2021.

Please contact your coordinator if you have questions.

Thank You,

Soil and Water Conservation Program
