Good morning,

Currently, the Soil and Water Conservation Districts have obligated \$45.8 million in cost-share funds across the state. The current obligated amount is \$6.2 million less than last year at this time. Therefore, program management has determined that there will be a supplemental allocation held Thursday, January 16, 2025. MoSWIMS will be locked at 4:00 on the 16<sup>th</sup> in order to complete the supplemental process.

As an additional reminder, please be sure to keep board approval dates on all contracts, change orders, and contract payments up to date in MoSWIMS to ensure the program has the most updated information.

If you have any questions, please contact your district coordinator.

Thank you.
