Attachments: EQIP 340 Drought Variance for Haying_2023.pdf

Good morning,

Please see the email and attachment from NRCS granting a 30 day variance allowing the haying of EQIP cover crop contracts in counties that are in the D2 status on the drought map.

Thank you,

Soil & Water Conservation Program

Subject: EQIP 340 Drought Variance for Haying

Missouri Conservation Team,

See the attached 30 day variance for haying cover crops installed through EQIP. This variance applies to counties experiencing D2 drought status or above. Please direct questions through area staff.
