Good afternoon,

The deadline to RSVP for the area meetings is next week Thursday (8/15). Please send the attendee list for the district to the soil&waterconservationprogram@swcd.mo.gov if you have not already done so for planning purposes.

In addition to the agenda items previously sent, there will also be an update at each meeting from district staff in their respective areas on information/education efforts they have worked on. Also, Lee Johns will give an overview of the cultural resources review process related to state cost-share projects. Part of the MASWCD report from Ron Willis will include information about NACD.

Please consider joining us for the area meetings. We hope to see you there!

Subject: 2024 Area Meetings

Good morning,

The Area Meetings this year are scheduled for August 27th, 28th and 29th. As was announced earlier by MASWCD, the area meetings will be held in MASWCD Areas 2, 4, 6 and 8. The meetings are being held in

these areas to accommodate the MASWCD elections for board members but everyone is invited to attend any of the meetings. The program will record one of the meetings to post on the SWCD Intranet so that everyone has the opportunity to review the presentations and reach out to the presenters if there are any questions.

Attached is a document with the details on the locations and times of the meetings.

The program is finalizing the agenda. Some of the highlights for the meeting include:

- Update from the soil and water program on updates on the budget, cost-share accomplishments and commission actions.

- Partner updates

- MASWCD elections and awards

Please coordinate a list of attendees from your district and RSVP to soil&waterconservationprogram@swcd.mo.gov by 5:00 p.m. August 15th to so we can make arrangements for the meal.

If you have any questions, please contact your district

coordinator. Thank you,
