**Subject:** 2023 Area Meetings

Good morning,

The Area Meetings are scheduled for August 29<sup>th</sup> and 30<sup>th</sup>. As was announced earlier by MASWCD, the area meetings will be held in MASWCD areas 1, 3, 5 and 7. The meetings are being held in these areas to accommodate the MASWCD elections for board members but everyone is invited to attend any of the meetings. The program will record one of the meetings to post on the SWCD Intranet so that everyone has the opportunity to review the presentations and reach out to the presenters if there are any questions.

Attached is a document with the details on the locations and time of the meetings. Please note Areas 1, 3 and 5 are in different locations than last year.

The program is finalizing the agenda. Some of the highlights for the meeting include:

- Update from MU Center for Regenerative Agriculture on their climate smart project and applications for assistance
- Update from the soil and water program on budget, commission actions, future plans, drought update, overview of health insurance survey
- Partner updates
- MASWCD board elections

Please coordinate a list of attendees from your district and RSVP to [soil&waterconservationprogram@swcd.mo.gov](mailto:soil&waterconservationprogram@swcd.mo.gov) by 5:00 p.m. August 21<sup>st</sup> to so we can make arrangements for the meal.

If you have any questions, please contact your district coordinator.

Thank you,

Soil & Water Conservation Program
