Good afternoon,

The SWCP and the NRCS presentations that were given during the area meetings are available on the SWCD Intranet Web home page in the Area Meeting section. Additionally, below are the links to the presentations if you wish to share with board members.

NRCS -

Please contact your district coordinator if you would like them to review the SWCP presentation during a board meeting or if you have questions. Scott Edwards suggested working with your District Conservationist to review the NRCS presentation or to address questions.

Thank you,

Soil & Water Conservation Program
