YOUR SPEAKERS:

Patrick Davis: MU Extension Livestock Specialist

Gorman Bennett: NRCS District Conservationist

Mark Green: NRCS ACES

Wesley Tucker: MU Extension Agriculture Business

Pat Miller: MU Extension Agronomy Specialist

LOCATION:

This school will be located at the Stockton Christian Church, West Hwy. 32, Stockton, MO. A map and directions will be provided after registration is received. Lunch, drinks and snacks will be provided all 3 days.

****REGISTRATION FORM ON BACK****

The cost for the 3 day school is \$150.00 per person. A \$50.00 fee is required for those who attend and materials are not needed. The fee includes the Missouri Grazing Manual, other educational materials, lunches, snacks and drinks throughout the school.

This school is set up for 25 people to attend and is on a first pay, first served basis. Registration for this course requires full payment. Registration deadline is September 28, 2022.

A person must attend all sessions to get full credit for the school. This is especially important if you want to participate in your Soil and Water Conservation District's Planned Grazing System Cost-Share Program.
