

Information gained from these sessions can help you improve your profit margins and natural resources. Anyone requesting Missouri state soil and water conservation district cost share for a grazing system is required to attend a grazing school. In addition, grazing school attendance helps in the ranking process to receive natural resource conservation service cost share related to grazing projects.

12:45-1:00 P. M.

Evals/ Q&A-Patrick Davis

1:00-4:00 P. M.

Farm Tour

Cost: \$150 per person. If people from the same farm wish to attend, and share manuals, the fee will be \$50.00 for each additional person. The registration fee covers seminar costs including meals, refreshments and reference materials. These material include Missouri grazing manual, forages and weeds of pastures, grazing stick, electric fencing for serious grazers, water systems for serious grazers, and the Missouri soil & pasture health guide.

Please make checks payable to St. Clair Co. SWCD and mail with this completed form to:

St. Clair County SWCD
3835 NE Highway 13
Osceola, Missouri 64776
