

FY14 02

Howard County Soil and Water Conservation District  
745 State Rt. DD, Fayette, Mo. 65248

50 Gallon Sprayer with 8' Booms on each side, Fits on PTO (540)

Lessee agrees to defend, indemnity and hold Lessor free and harmless from and against any and all claims, liabilities, losses, costs, and out of pocket expenses (including attorneys' fees) arising out of, or in connection with, the equipment leased, its use or transportation or out of operations conducted by Lessee, its agents, employees, contractors, representatives, guest, invitees, or customers, including, but not limited to, active and or passive negligence, save and except claims or litigation arising through the sole negligence or sole willful misconduct of Lessor.

Sprayer can be hauled on trailer. USER MUST have insurance and liability. User will be responsible to repair, at his expense, if he breaks any part of equipment.

User will CLEAN out tank and booms by flushing out chemicals with water 2 times. It's suggested to use 2qts of household ammonia. Pesticides can settle to the bottom or cause rapid corrosion in the spraying system and thus should be washed from the whole system immediately after use.

No way is Howard County Soil & Water District board or employees responsible for accidents arising from transportation or use of the sprayer and assemble. The Howard County SWCD will not be responsible for damage from chemicals. Type of chemical used \_\_\_\_\_

A fee of \$ 20.00 daily will be required
