MEMORANDUM

2011-018

DATE: January 27, 2011

TO: All Soil and Water Conservation Districts

FROM: Kurt Boeckmann, District Operations Section *KDB*
Soil and Water Conservation Program

SUBJECT: District Operations Manual

The Soil and Water Conservation Program has updated the District Operations Manual. This manual is available electronically and can be accessed via the District Intranet site. This manual replaces the existing District Operations Manual and is effective the date of this memorandum, however it is advised that districts keep both manuals available to reference for audit reasons.

A hard copy of the manual will be forthcoming.

If you have any questions, please contact your district coordinator.
