MEMORANDUM

2013-020

DATE: May 28, 2013

TO: All Soil and Water Conservation Districts

FROM:  Colleen Meredith, Director
Soil and Water Conservation Program

SUBJECT: Area Meetings

Please mark your calendars because it is time for the 2013 Area Meetings. The schedule detailing the dates, times and locations is attached. Please note where and when the meeting for your area will be held. Directions to locations are available on the Soil and Water Conservation Program Website at <http://www.dnr.mo.gov/env/swcp/areameetings.htm>. A meal will be provided at each meeting.

The agenda includes a presentation/discussion with multiple partners: the Soil and Water Districts Commission, Natural Resources Conservation Service, Departments of Conservation and Agriculture, the Missouri Association of Soil and Water Conservation Districts, and the Missouri Association of Soil and Water Conservation Districts Employees Association and the Missouri Department of Natural Resources Soil and Water Conservation Program. A Plan for the Future session will be included using Turning Point voting software to obtain partner input regarding the future of conservation practices as part of the meeting.

If you have questions, please contact Christa Moody, Soil and Water Conservation Program, P.O. Box 176, Jefferson City, MO 65102-0176 or by phone at 573-751-1172. To aid in planning of the number of meals and any special dietary needs, please contact Christa Moody at christa.moody@dnr.mo.gov for attendance from your district by July 12, 2013.

Again, the partnership looks forward to visiting with all the soil and water conservation districts. The summer is a busy time with many competing interests. Districts may attend any Area Meeting that best fits your schedule. Your attendance is much appreciated! Thank you.
