

SUB	JECT: CONSERVATION PL	ANNER RECERTIFICATION	DATE:	
PLA	N REVIEWED:	COUNTY:	TRACT NO:	
PLANNER:			_FILE CODE: 180	
I have reviewed your conservation plan for planning re-certification (see 180-GM, Part 409.9). The purpose of the review is to ensure that policies and procedures have been followed and that clear planning steps are discernable in your planning activities. The following plan contents have been reviewed with deficiencies and follow-up needs noted. (Note: Two plans need to be reviewed for recertification.)				
Con	ntents Correspondence	Comments and/or Required Follow-up		
	Contract Documents			
	Assistance Notes			
	Resource Concerns:			
	(Identified on MOCPA-52)			
	Resource Inventory Data			
	Resource Data Analysis			
	Soil Maps/Reports			
	Plan Maps/Legend			

NRCS – MO		Conservation Planning Recertification			
☐ Record of Decisions					
☐ Alternatives & Evaluations					
☐ Resource Impact Summaries					
☐ Economic Evaluations (optional)					
☐ Planned Practices					
☐ Job sheets					
Comments:
