

Linn County Soil & Water Conservation District Conservation Resources

September 2012

Cost Share Sign-up

The Linn County Soil & Water Conservation District will be holding its annual cost share sign up October 1st through October 19th, 2012 at our office located at 121 Pershing Road, Brookfield. This sign-up is for fiscal year 2014 which runs from July 1st, 2013 through June 30th, 2014. If you are unable to be present for sign-up, you may designate someone to sign you up by completing a Landowner Authorization form. These forms are available in the office and must be filled out prior to sign up. No fax or phone ins will be allowed for sign up. If you have any questions please feel free to come by or call the office at (660)258-5732. You may also visit our website at <http://www.swcd.mo.gov/linn> to print the Landowner Authorization form or to find out more information.

Just a reminder that if a landowner receives cost share assistance this fiscal year (July 1, 2012-June 30th, 2013) you will not be

allowed to sign up this coming year.

This is 75% cost share assistance with the maximums being \$15,000 for terraces, \$10,000 for ponds and \$5,000 for all other practices.

Landowners who have had a practice staked out for cost share assistance and back out, will be ineligible to sign up for cost share assistance for three years following the cancellation. Also, all cost share practices will be surveyed and staked out one time by District personnel at no cost to the landowner. If the landowner does not maintain the survey and staking flags, the landowner must make arrangements through a private contractor to meet the design criteria if cost-share for the practice is desired.

If you have any questions, please call our office at (660)258-5732.
